

# School improvement plan 2024/2025

## Target 1 - Make our lessons even better!

- We want to make learning exciting for everyone!
- We will make sure that what we learn helps us understand the world around us, and gives us the skills we need for the future.
- Teachers will listen to what we enjoy learning and try to include more of those things in our lessons.
- Make lessons that challenge us to be our best.

## Target 2 - Get better at learning

**Reading & Writing:** We want you to enjoy reading and feel proud of how well you can talk and write, whether it's stories, ideas, or sharing your thoughts with others.

**Maths:** We want you to feel confident with maths and be ready to solve problems, both in school and in everyday life.

**Digital Skills:** We want you to know how to use computers, tablets, and other technology in a smart and safe way. Our goal is to help you do your very best and be ready for whatever comes next!

## Target 3 - Independence

We want to help you learn how to do things on your own and be in charge of your learning. We want you to:

- **Be curious and creative:** We will give you lots of chances to explore and be creative, especially outside.
- **Do things by yourself:** You will have more chances to solve problems on your own and work with friends, so you can become more confident.
- **Learn outside:** We will use our outdoor spaces more to make learning fun and exciting.

## Target 4 - Everyone Gets the Same Chances to Learn and Be Happy

We want everyone in our school to feel safe, happy, and like they b

- **Equity:** We will make sure everyone has the same chances to learn and grow.
- **Wellbeing:** We will help everyone feel happy and supported.
- **Inclusion:** We celebrate what makes us all different and use that to make our school better. Our goal is to make sure everyone feels safe, valued, and ready to learn!
