

Coed Y Brain Primary School

Friday 9th October 2026

*Empowering Ambition Building Resilience
Nurturing Confidence Inspiring Creativity*

The Right of the month for October is, 'Article 1, 2 & 42, all children have rights. A child is someone under the age of 18. Everyone should know about these rights.'

Dear Families,

It has been another busy week at CYB, with our FACT sessions taking place across the school. We have really enjoyed welcoming so many families into school and sharing with you what your children have been learning and the progress they have been making. We fully appreciate that, as working parents and families, taking time away from work can be difficult, and we are incredibly grateful for the support of family members who are able to attend on your behalf. Your continued support means a great deal to us, and we really value the strong home-school partnership we have at CYB.

We also really appreciate the feedback you have shared with us during the FACT sessions. We recognise that the school calendar can feel very busy, with lots of events and opportunities taking place throughout the year. This is why we aim to share key dates with families through our Year on a Page, which is sent out in July and again in September. We have included a copy again with this newsletter for your reference.

Next week provides another opportunity for you to meet with your child's class teacher during our Parent Consultations and discuss your child's progress, learning and next steps. We look forward to continuing these important conversations with you and working together to support your child.

You will also be pleased to know that we have already set the dates for our Christmas Concerts, with the hope that providing plenty of notice will help working families to plan ahead and make arrangements to join us for these special occasions. We look forward to celebrating with you!

As always, thank you for your continued support.
