

# Coed Y Brain Primary School

Friday 18th September 2026

*Empowering Ambition Building Resilience  
Nurturing Confidence Inspiring Creativity*

The Right of the month for September is, Article 28 & 29, 'I have the right to an education which develops my personality, respect for others' rights and the environment.'

Dear Families,

It has been lovely to see so many of our children looking smart and proud in their school uniform this term. Thank you for your continued support with this—we would really encourage families to keep this up and remember that PE kit should only be worn on PE days. Wearing our school uniform helps to build a strong sense of belonging and pride in being part of our school community.

This week, our Foundation Phase children were very lucky to spend a day with Loubby Lou, who brought their topics and literacy learning to life through wonderful sessions based on *Hansel and Gretel* in Dosbarth Melyn, *Goldilocks* in Dosbarth Coch and Forest Fairies in Nursery. The children and staff thoroughly enjoyed the sessions, and it was fantastic to see the children so engaged in their learning. A big thank you to families for working with us to reduce lateness this term. Please remember that if your child is late, they must be signed in at the main office. As a safeguarding reminder, please also do not hold the main gate open for other families—each family must use the appropriate access point themselves.

Finally, you may remember that last year we slightly changed the format of our Macmillan Coffee Morning. Following its success, we will continue to hold the event in school for children only. We recognise that younger pupils can sometimes become upset when saying goodbye to parents, and that some children can find the hall environment overwhelming. On Friday 25th September, children will be able to purchase a slice of cake for their snack in return for a small donation, with all proceeds going to Macmillan. Further details will be shared via class Seesaw.

Thank you, as always, for your continued support.

## Diolch yn fawr

A huge thank you to ProShoot in the village for holding a wonderful Community Day in support of Coed y Brain Primary School. We are incredibly grateful for the generosity and support shown by the local community, with an amazing **£430** raised for our school. This money will be used to purchase new outdoor equipment for our children, helping us to continue developing exciting and engaging opportunities for learning and play outdoors. Community events such as this are incredibly important to us and play such a valuable role in bringing our school and wider community together. We are very grateful to ProShoot for organising the event and to everyone who supported it and helped make it such a success. Diolch yn fawr!
